

ATONEMENT LUTHERAN CHURCH - BARRINGTON

MASTERPLAN AND EXPANSION OF FOUR ACRE CAMPUS

CLIENT Atonement Lutheran Church - Barrington | **LOCATION** Barrington, Illinois | **SIZE** 24,000 sf

PROJECT SCOPE

Located on a prominent site east of Barrington's downtown, this addition re-states Atonement's presence in the community. Eckenhoff Saunders' master plan of this extensive four-acre campus includes new parking, a dedicated drop-off lane and covered entry, a new detention pond, and reworked traffic patterns.

The architecture of this 24,000 sf two-story multi-use building provides a cohesive architectural expression with the existing structures. The project also includes the relocation of the church and school administration, lobby for fellowship, classrooms, and music rehearsal space. As part of the master plan, all facilities were renovated and brought up to life safety and ADA compliance.
