

## NORTHSHORE UNIVERSITY HEALTHSYSTEM - MEDICAL OFFICE BUILDING

MEDICAL OFFICE BUILDING DEVELOPMENT

**CLIENT** NorthShore University HealthSystem | **LOCATION** Northbrook, Illinois | **SIZE** 35,000 sf

### PROJECT SCOPE

Located on a prominent site visible from the Edens Expressway, the 35,000 sf medical office building's design uses architectural materials and forms found on NorthShore's other campuses, creating a strong visual connection to the health system. In addition, a curved two-story atrium provides a peaceful open space for staff and visitors.
