

JESSICA LAPOINTE, NCIDQ

INTERIOR DESIGNER

EDUCATION

Bachelor of Science, Interior Design,
Southern Illinois University

PROFESSIONAL REGISTRATIONS

NCIDQ

Jessica is an accomplished interior designer specializing in the development of impactful designs for the commercial and workplace market. With a keen eye for detail and a deep understanding of how space influences productivity and ambiance, she has successfully transformed numerous corporate environments into stunning, functional, and inspiring spaces.

Her ability to blend aesthetic appeal with practicality allows her to create designs that not only captivate the senses but also optimize the efficiency and effectiveness of a workspace. With a proven track record of delivering exceptional results, she is passionate about enhancing the commercial experience through innovative design solutions that resonate with clients and leave a lasting impression.
