Craig has over forty years of serving as a Principal in several local and national practices. He has overseen, as Principal, the design and construction of over \$500 million in new and renovated higher education facilities in the Chicago area, including more than a dozen projects at Northwestern University, multiple buildings for the College of DuPage, and projects on every campus of the University of Illinois. Craig's planning and design experience also includes athletic facilities, performing arts, banking, hospitality, mixed-use, and high-rise residential projects.

## Northlight Theatre
