

LINDELL ROBERSON, AIA ASSOCIATE, NOMA

ARCHITECTURAL DESIGNER

EDUCATION

Bachelor of Architecture, Illinois Tech

AWARDS

First place recipient of the 2014 Construction Specifications Institute Scholarship Competition

First place recipient of the Osmosis Express Yourself competition

With a specialization in project coordination and Building Information Modeling, Lindell stands at the forefront of innovative design methodologies. His meticulous attention to detail and forward-thinking approach ensures that each architectural endeavor is not only aesthetically captivating but also functionally robust and technologically advanced. Driven by a passion for innovation and a dedication to serving others, Lindell embodies the ethos of modern architecture — seamlessly blending form and function, while fostering inclusivity and sustainability. His contributions not only enrich the architectural landscape but also inspire a brighter, more interconnected future for all.
