

# COLLEEN MILLER

PROJECT MANAGER, ASSOCIATE

## EDUCATION

Master of Architecture,  
Southern Illinois University

Bachelor of Architecture,  
Southern Illinois University

Colleen plays a critically important role with the Endeavor Health (NorthShore University HealthSystem) project team, including work at their Skokie, Highland Park, Evanston, and Glenview hospital campus facilities. Colleen enjoys interfacing with clients to deliver projects that meet and exceed goals and expectations. She was instrumental in developing the award-winning Chicagoland Children's Health Alliance - Pediatric Outpatient Center in Wilmette. This project was the first of its kind to join two healthcare entities, Endeavor Health and Advocate Children's Hospital, to develop the new 34,000 sf children's clinic in a former retail outlet.
