

THE GIFT OF HOPE ORGAN DONOR CARE CENTER AT RUSH

ILLINOIS' FIRST HOSPITAL-BASED ORGAN DONATION CARE CENTER

CLIENT RUSH University Medical Center | **LOCATION** Chicago, Illinois | **SIZE** 10,000 sf

PROJECT SCOPE

Eckenhoff Saunders partnered with RUSH University Medical Center and the Gift of Hope Organ and Tissue Donor Network to design Illinois' first hospital-based organ donation care center. The Gift of Hope Donor Care Center at RUSH features six advanced intensive care bays, two state-of-the-art operating rooms, and around-the-clock medical and support services dedicated to donor management and recovery. A thoughtfully designed family lounge ensures a comfortable and compassionate experience for donor families. The center is projected to care for up to 250 organ donors and their families annually.
