

## HIGHLAND PARK HOSPITAL — ADOLESCENT BEHAVIORAL HEALTH UNIT

EXPANSION AND RELOCATION OF ADOLESCENT BEHAVIORAL HEALTH UNIT

**CLIENT** Endeavor Health & Integrated Facilities Solutions, Inc. | **LOCATION** Highland Park, Illinois | **SIZE** 11,200 sf

### PROJECT SCOPE

Eckenhoff Saunders was engaged to relocate and expand the Adolescent Behavioral Health Unit at Highland Park Hospital, ensuring the space could accommodate an enhanced program.

The redesigned inpatient unit features additional patient rooms, modernized shower facilities, and reimagined public areas—all thoughtfully crafted to support optimal healing. Our team also developed new layouts and finishes as a key part of our comprehensive scope of work.
