

STEFANIE ALBERTS, NCIDQ

INTERIOR DESIGNER

EDUCATION

Bachelor of Fine Arts,
Interior Design, Ringling College
of Art and Design

PROFESSIONAL REGISTRATIONS

NCIDQ

Specializing in workplace interior design, Stefanie brings a diverse skill set shaped by her experience in luxury student housing, hospitality, and commercial projects. From concept development to construction administration, she has collaborated closely with architects, general contractors, and consultants to bring design visions to life. Her expertise includes FF&E selection, custom design detailing, and material palette development, ensuring cohesive and functional interiors. She is adept at client communication, value engineering decisions, and problem-solving, making her a key asset in delivering high-quality, thoughtfully designed spaces.
