U.S. Green Building Council Member

Jeff's experience spans over 25 years and includes extensive work in the healthcare, hospitality, retail, commercial, and industrial markets. He is skilled at managing highly technical projects and maintaining quality oversight throughout their duration. Jeff was the managing principal for the \$250 million redevelopment of Endeavor Health's 20-acre Skokie Hospital campus. This 10-year multi-phased expansion included two surgery additions, a bed tower facade replacement, a central plant, and a 130,000 sf ambulatory care center. More recently, Jeff was responsible for the development of the 165,000 sf expansion of the Cardiovascular Institute at Glenbrook Hospital, which opened in the spring of 2024.

Other major completed projects include the award-winning, 26-story Eurostars Magnificent Mile (former Dana Hotel and Spa) in Chicago; the Ingalls Health System Family Care Center in Flossmoor, Illinois and the award-winning Chicagoland Children's Health Alliance Center in Wilmette, Illinois.
