

NATHAN COX

SENIOR ASSOCIATE

EDUCATION

Master of Architecture, University of Illinois at Urbana-Champaign

Bachelor of Science, Architectural Studies, University of Illinois at Urbana-Champaign

PROFESSIONAL REGISTRATIONS

Registered Architect, Illinois

Nathan primarily focuses on the design of healthcare spaces. He works closely with RUSH University Medical Center, Duly Health and Care, and Silver Cross Hospital, on complex, multi-phased projects. Nathan enjoys challenging projects and delivering meaningful solutions for both patients and staff. In addition, he has been instrumental in managing several ongoing projects on the Silver Cross Hospital, including developing a \$22 million cardiac surgery expansion, including operating rooms, recovery rooms, and a 16-bed cardiovascular unit.
