Village of Burr Ridge, Illinois

Planning Commission, Chairman

Greg has been a cornerstone of the firm since 1990. Under his leadership, Greg has not only managed the firm's operations but also spearheaded several high-profile projects, such as the award-winning Unicom Thermal Technologies Plants and the \$50 million Bernice E. Lavin Early Childhood Education Center and parking structure at Northwestern Memorial Hospital.

A standout achievement in Greg's career is his oversight of nearly 50 freestanding branch facilities for First American Bank throughout the Chicago area. His long-standing relationship with the bank has been instrumental in establishing a cohesive and recognizable brand image as the bank expands its customer base.

Additionally, Greg brings his expertise to the broader community as Chair of the Village of Burr Ridge Plan Commission, where he has been a dedicated member since 2004.
