

KRISTA NEERDAELS, NCIDQ

INTERIOR DESIGNER, ASSOCIATE

EDUCATION

Bachelor of Science,
Interior Architecture,
University of Wisconsin–Madison

PROFESSIONAL REGISTRATIONS

NCIDQ

Krista is a “go-to” Interior Designer of our workplace, healthcare, and education market teams. She has an enthusiasm to understand the missions of our clients and their specific goals and needs. Operating on the philosophy that form follows function, she jumps into a wide variety of projects carefully considering the use and story of each space. She provides critical design thinking, iteration, and production support to teams, with the unique ability to thoughtfully serve clients through each project phase.
