Tracey is a team leader that is passionate about interior design with an architectural background, fostering technical excellence. Tracey's time at Eckenhoff Saunders has afforded her various experiences in the healthcare, civil, and commercial markets. She practices thoughtful design, which requires discipline to understand the level of design needed for each job. Additionally, Tracey enjoys the collaborative process necessary to execute successful projects. Tracey's strength lies in her focus on client service, which relies on clear communication and coordination within the project team. As Managing Principal, Tracey is responsible for all aspects of the firm's financial strategy, staffing, and human resources.
